the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems is also increasing in children and young people (Mental Health Foundation 1999).

There is a growing awareness of the need to address the needs of people with mental health problems. The Department of Health (1999) has set out a vision for mental health care in the UK, which is based on the principles of recovery, self-help, and community care. The vision is to ensure that people with mental health problems are able to live full and meaningful lives, and that they are able to contribute to society. The vision is based on the following principles:

- People with mental health problems should be able to live full and meaningful lives.

A.H.S. VIDEO YEARBOOK FIRST EVER IN THE WORLD!

Alton High School had the distinct honor of being the first High School in the world to have a video yearbook. Sue Wilson and Claudia Walters of Copy Cat Video created the 90 minute videotape which featured highlights of the 1983-1984 school year including plays, sports, awards, and graduation. Perhaps the most valuable portion of the tape was the optional personal interview

which a student could have included on his or her tape.

Sue and Claudia were interviewed on "Good Morning America" as well as numerous other T.V. programs and newspapers.

A second Copy Cat Video Yearbook is in production for the 1984-1985 School Year.

U.S.A. FOR AFRICA Sing-We Are The World

United Support of Artists for Africa was formed to raise money for famine stricken Ethiopia. Ninety percent of the proceeds will go to Africa and ten percent will stay in the U.S. It is hoped that 250 million dollars will be raised through the single and album titled "We are the World."

Unreleased songs from various artists were donated to fill the double album. A full length video of the artists working on "We are the World" will be released also.

There comes a time when we
heed a certain call
When the world must come
together as one
There are people dying
And it's time to lend a hand to
life
The greatest gift of all

We can't go on pretending day by
day
That someone, somewhere will
soon make a change
We are all a part of God's great
big family
And the truth, you know,
Love is all we need

CHORUS:
We are the world, we are the
children
We are the ones who make a
brighter day
So let's start giving
There's a choice we're making
We're saving our own lives
It's true we'll make a better day
Just you and me

Send them your heart so they'll
know that someone cares
And their lives will be stronger
and free
As God has shown us by turning
stones into bread
So we all must lend a helping
hand

REPEAT CHORUS:
When you're down and out, there
seems no hope at all
But if you just believe there's no
way we can fall
Let us realize that a change can
only come
When we stand together as one

REPEAT CHORUS:

SOCCER TEAM GO TO STATE!!!

Varsity soccer ended its Season with a 15-5-1 record. This year was the most successful year Alton High has had since 1981.

A.H.S. SPIRIT ERUPTS

The pep assembly helped the varsity team to get "fired up" for the West Chester-St. Joseph (State) Game. The pep assembly was held under difficult weather but that didn't stop our players, cheerleaders or the whole school from showing their enthusiasm.

The team captains, Pat Hoag, Larry Stutz and Joe Bowen, agree on the statement, "We could of played better at state." The reason they believe they could of done better is that they were so excited about going to state, that when they got there, their minds weren't set on soccer. Even though they tried their hardest, West Chester got the best of them 2-1.
